Sub :- Online RTI Application mechanism in Gujarat

Dear Sir,

Greetings !

I am writing this letter with reference to article *"Three years on, Gujarat still to start RTI web portal"* published in The Times of India Dated January 19, 2017. I have been working on RTI awareness and research for last eight years. I have been running RTI group on facebook which is having 19000+ members. (<https://www.facebook.com/groups/231618483553812/>)

I hereby sharing my article on *"8 years of Right to Information Act in India : An Appraisal"* (2014) in which I have proposed online application mechanism. This will help Government of Gujarat to plan RTI Online Portal which will benefit the public at large. This will surely add value to Digital India campaign run by the government.
